Each teacher team will review its curriculum unit map to plan its monthly focus standards and topics. Pace instruction appropriately so that the course standards are "chunked" into monthly, manageable, sub-units of instruction. If teams are planning for interdisciplinary instruction, the interdisciplinary teams will highlight cross-curricular connections that support interdisciplinary lessons and/or projects. Re-align and re-order possible interdisciplinary themes in the (e.g., lesson, project) highlight focus standards that will be assessed on the Common Assessment Benchmark (CAB).
