iTunes for Mac: Sync iPod, iPhone, or iPad. Connect your device to your computer, then click the Device button near the top left of the iTunes window. Select the type of content you want to sync (for example, Music or Podcasts) in the sidebar on the left. Check to make sure that the "Manually manage music and videos" option is turned on: Connect your device to your computer. Open iTunes. Locate and click on your device. In the left sidebar, click Summary. Scroll to the Options section. Click the box next to "Manually manage music and videos." Click Apply.
